MICHIGAN PENITENTIARY

Could Not Hold Former Wood County Thief.

John Sheets, a crook who has given the Wood county officers a good deal of trouble, escaped Thursday from the penitentiary at Jackson, Mich., to which place he had been sent for horsetealing. He had been captured at Woodville.

Sheets is the man who stole grain from Rolla Salz over by Grand Rapids. He served time for the deed but that seems to have acted as no reform to him, as he got into the horsetealing business shortly after his release from the Ohio penitentiary. Here is what the Toledo Times has to say regarding the escape:

John Sheets, a Toledo crook, sent up for fifteen years from Adrian four months ago for horse stealing, escaped from the Jackson, (Mich.) penitentiary Friday at 11 a. m.

Sheets is listed in the local rogues' gallery as a thief. He served one term at Jackson for stealing a horse, and also served a term in the Ohio penitentiary.

Alexander McKenzie, a lifer from Kent county, Mich., convicted of murder five years ago, also escaped. The men sawed through windows in the west wing, where they were employed as hall messengers.

It is thought that their tools were smuggled to them by former members of Sheets' gang of horse thieves.

YELLOW LIMITED CARS.

The T. U. & I. Traction company is repainting and remodeling car No. 180 in the barns in this city, says the Findlay Republican. It will be placed on the limited service.

Each of the three traction lines which form the limited service agreed to furnish four cars apiece.

These cars will all be painted exactly alike—a bright yellow—and will be most luxuriously furnished on the inside. This is the second of the four which the T. U. & I. will furnish. The others will follow shortly and all will be of the latest type and highest speed.

Itching, bleeding, protruding or blind piles yield to Doan's Ointment. Chronic cases soon relieved, finally cured. Druggists all sell it.

The secret of our success with W. G. and B. clothing is to quite an extent the good workmanship in the making. These coats hold their shape and look well long after a good many coats of similar appearance when new have been cast away as unfit for use.

B. G. CELEBRATION

County Sunday Schools Will Celebrate Together.

The Wood County Sunday School Association have made extensive preparations for the celebration of the Fourth of July on the fair grounds. There will be hundreds of children and older people here that day and a splendid time is anticipated by all.

Capt. Jack Crawford, the poet scout, who won a great reputation in his earlier days by his fearless and skillful work in the Indian wars, will be the main attraction undoubtedly; and the speech he will make at 12:30 will be listened to with the utmost attention, as he has won fame as a speaker.

In addition there will be a big picnic dinner and in the afternoon a large number of very interesting athletic events. Nearly a dozen prizes are offered the Sunday schools besides those to the winner of the athletic contests. You want to be here on July 4th.

All schools outside of Bowling Green will assemble on the Fair Grounds at Bowling Green and be ready to march by 10 o'clock sharp. No school will be allowed to delay the parade. Every school is urged to come with a banner on which should be printed the name of the school. And it is suggested that each school select one marshal from its members.

All persons desiring to enter any of the athletic events must be a member of some Sunday School in Wood County and must give the name and entry list to the Superintendent of the Sunday School of which he or she is a member, on or before July first.

The Superintendent must send all names and entries to the Athletic Committee, Y. M. C. A., Bowling Green, Ohio, by the evening of July first. And all contestants must report, in person, to the Clerk of the Course, at the Judges Stand on the Fair Ground, before 2:00 p. m. on July Fourth, that they may receive their numbers for the events for which they are entered. THIS IS IMPORTANT.

The events will start promptly at 2:00 o'clock. For further information address

Remarkable Rescue.

That truth is stranger than fiction, has once more been demonstrated in the little town of Fedora, Tenn., the residence of C. V. Pepper. He writes: "I was in bed, entirely disabled with hemorrhages of the lungs and throat. Doctors failed to help me, and all hope had fled when I began taking Dr. King's New Discovery. Then instant relief came. The coughing soon ceased; the bleeding diminished rapidly, and in three weeks I was able to go to work." Guaranteed cure for coughs and colds. 50c and \$1.00 at Wm. Comstock & Son's drug store. Trial bottle free.

STRAIN TOO GREAT

Hundreds of Perrysburg Readers Find Daily Toil a Burden.

The hustle and worry of business men, The hard work and stooping of workmen,

The woman's household cares, Are too great a strain on the kidneys. Backache, headache, sideache, Kidney troubles, urinary troubles follow.

William H. Webster, railroad employe, Lake Shore yards, living at 128 Stratton street, Toledo, O., says: "I saw a statement in one of our Toledo papers made by N. J. Mannes, yardmaster at the Lake Shore saying he had been cured of lumbago by using Doan's Kidney pills. I spoke to him about his case, and on his advice procured a box. I had been suffering a good deal with my back. Every time I set a brake or performed any act that brought a strain on the loins I suffered and was often so sore that I could hardly stoop to pick up a coupling pin. After using Doan's Kidney pills these troubles ceased. It is now nearly seven years and I have remained entirely free from this trouble, which shows that Doan's Kidney pills are a permanent cure for such troubles."

RAILWAY EXTENSION

L. E. B. G. & N. Electric Line
Will Build West.

Complete survey of the route to be traversed between Bowling Green, and Tontogany by the L. E. B. G. & N. Ry., has been completed. The line will parallel the C., H. & D. Ry. The probate court has decreed that the electric line has a right to go through the property along the line; and in most cases amicable settlements have been made by the property owners.

The extension of this east and west electric line means much to the people living in the western part of Wood county and to the people of Bowling Green. For many years taxpayers in the western townships have found it difficult to get over to the county seat on account of the railroad schedules. When the line is extended to Tontogany, it will connect with the Lima & Toledo electric line which goes through Weston and Deshier, and will thus make easy the visit to the county Hub.—Sentinel.

DEED FOR FT. MEIGS

Has Been Executed and Property
now Belongs to State.

The deed of the Fort Meigs land has been executed by the Hayes heirs and John B. Wilson, chairman of the Ft. Meigs Commission has transmitted the deed to the proper authorities at Columbus.

There are about 36 acres in the tract of land and the purchase price was about \$300 per acre, and considering the long term of years the Hayes family have held the land and refrained from any use of it except for pasturage, they have sold at what may be considered a very reasonable price.
